

Twinkle Twinkle Little Star

Twinkle, twinkle, little star,
(hold your hands up and wiggle your fingers)

How I wonder what you are.

Up above the world so high,
(hold your hands up above your head)

Like a diamond in the sky.
(put your 2 thumbs and index fingers together
like a diamond)

Twinkle, twinkle, little star,
(hold your hands up and wiggle your fingers)

How I wonder what you are.
